Did It Ever Occur to You?

"I paid that bill once."

"You must be mistaken."

"Indeed, I am not mistaken."

"Have you a receipt?"

"It seems to me I have, but I don't remember what I did with it."

"We have no record of payment, and unless you can produce our acknowledgement in the way of a receipt, we must insist that you pay the account."

But it might have been a different story had the bill been paid with a bank check. No chance for argument or dispute when the cancelled check is produced. Better pay your bills but once—with a check on this bank.

BALL GAME MONDAY.

Live Oak vs. Chickasaw Indians on Local Diamond.

On next Monday afternoon there will be a game of ball on the local diamond between Live Oak and the Chickasaw Indian teams. This promises to be one of the best games of ball ever played in this city. The Indian team is made up of big, strong men, and their battery is fine. Their pitcher is said to have plenty of steam, and some more. He is a full-blood Indian and can throw a ball as straight as an arrow.

Joe Hinely, manager of the Live Oak team, says he has an aggregation of players that will give the Indians something to do if they score. He will strengthen Live Oak's team with some of the best ball players in this section of Florida, and the game will be an interesting one.

An effort will be made to have special rates over all roads entering this city for the occasion, and our merchants are going to make some special cut-rate prices for visitors in the city that day. Remember the date—Monday, Sept. 20th.

Game will be called promptly at 3 o'clock. This will give all an opportunity to see the game and catch the afternoon Seaboard and Florida Railway trains.

Run Away.

Welborn, Sept. 14.—Mr. Thomas Hart, of White Springs, drove over to Mr. Will Cason's, who lives about two miles from Welborn, Monday evening, to swap horses, but not being able to trade, drove over to Stewart Smith's and succeeded in swapping with him. Mr. Hart exchanged horses, and when his new horse started he let out on a dead run. The animal did not seem to like the change of ownership, and before he was finally stopped, Mr. Hart was very painfully injured, having an ear torn off and being otherwise injured. The buggy was completely demolished.

LATER.—It is reported this morning that Mr. Hart is still unconscious, and his people in White Springs have been notified. He appears to be dangerously hurt. He is 70 years of age.

CONFEDERATES DAY.

Camp of Sons and Camp of Daughters Being Organized.

The Old Confederates of Suwannee county are in session in the court house in this city today. The attendance is very good and the arrangements for entertaining the Old Confederates veterans who attended the State reunion here next month is being discussed.

There is also being organized here at the time of going to press a Camp of Daughters of the United Confederate Veterans. Miss Esther Carlotta, of St. Augustine, president of the Daughters, and Mrs. H. H. McCreary, wife of State Senator McCreary, of Gainesville, are here to perfect the organization. We are pleased to know that quite a number of the ladies of this city will become members.

Another interesting feature of today's work is the organization of a Camp of the Sons of Veterans. Hon. C. Seton Flemings, of Jacksonville, Division Commander of the Sons, is here for that purpose, and a good strong camp is being organized.

The Democrat goes to press before the perfection of either of the organizations, therefore it is impossible to give the names of the officers or any particulars in this week's paper.
